

When you are ironing, remember that an iron heats more quickly than it cools. So first iron the clothing and other pieces that need low temperatures; iron cottons and linens that need high temperatures later.

Watch your textures when you are planning a meal! Never serve a creamed meat or fish dish with a creamed vegetable. Don't serve a vegetable with a sauce when pot roast with gravy is the main course.

Largest Brakes in its field!

with easier action, too!

The striking new Bel Air Sport Coupe, one of 16 beautiful models in 3 great new series.

Chevrolet's improved Velvet-Pressure Jumbo-Drum Brakes give maximum stopping power with maximum ease of application

Chevrolet owners have long been convinced that they have the *safest* as well as the *largest* brakes on any low-priced car. And that is even more true in 1953. This year you will find much smoother, more responsive brake action... up to 23% less pedal pressure... and a softer, more velvety feel of operation.

Realize, too, that here is the *only* low-priced car with sturdy Fisher Unisteel Construction, Safety Plate Glass in windshield and all windows of sedans and coupes, extra-easy Power Steering* and many other important safety factors, and you'll understand why owners rate the new Chevrolet tops.

Come in; see and drive this thrillingly advanced car, and we believe you'll place your order now! *Optional at extra cost. Power Steering available on all models. Continuation of standard equipment and trim illustrated is dependent on availability of material.
