

MISS LORETTA WELCH WEDS KIRKLAND BOY

The marriage of Miss Loretta M. Welch of the West Hill, and J. Houston Pryor, Kirkland, took place in St. Mary's Church Saturday. Rev. William M. Morris, pastor, performed the ceremony. Miss Welch is the daughter of Mrs. Mary and the late Joseph Welch, and Mr. Pryor is the son of Mr. and Mrs. Daniel Pryor of Kirkland.

Miss Josephine McCabe of Utica was maid of honor, and best man was Howard Clute of Deansboro. Ushers were Edward Dressel and Clarence Brady, both of Utica. The bride was attired in a gown of aquamarine satin with matching accessories. She carried an arm bouquet of white chrysanthemums. The bridesmaid wore a gown of robin's egg blue crepe with matching accessories. She carried an arm bouquet of yellow chrysanthemums.

The organist, Paul McMahon, played selections preceding the ceremony and the wedding march. Miss Veronica Dunn, cousin of the bridegroom, sang during the cere-

mony. Mr. and Mrs. Frank Pryor, brother and sister-in-law of the bridegroom, entertained the bridal party at a wedding breakfast at the Lean-To on the Utica road. After the wedding breakfast, a reception was held at the home of the bride's mother, Mrs. Mary Welch, for the immediate families. Later Mr. and Mrs. Pryor left for an eastern motor trip, and upon their return will reside in Kirkland.

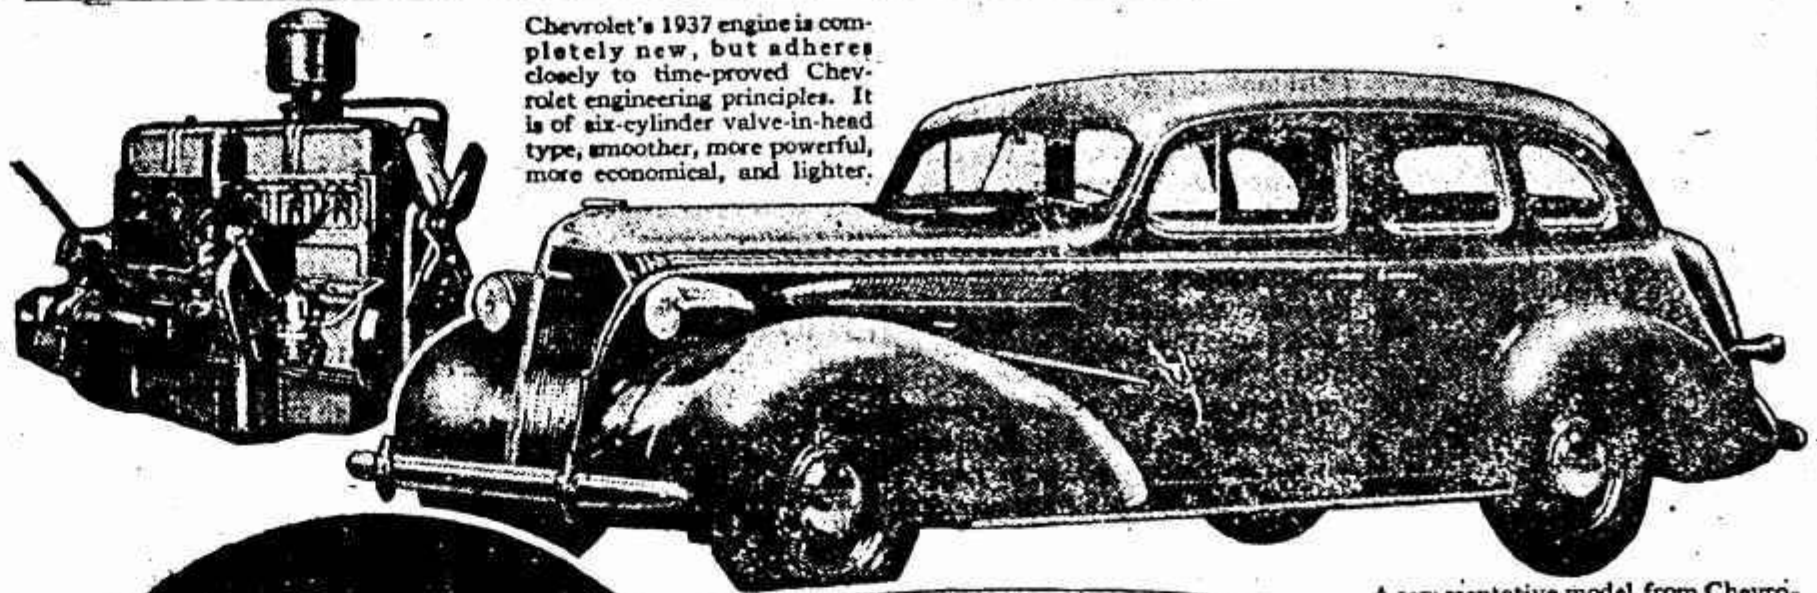

The bride was pre-nuptially entertained at showers by Mrs. Clarence Brady, Miss Josephine McCabe, Mrs. Mary Welch, Mrs. Daniel Pryor and Miss Sarah Brady.

MASONIC SERVICE IN LOCAL CHURCH SUNDAY

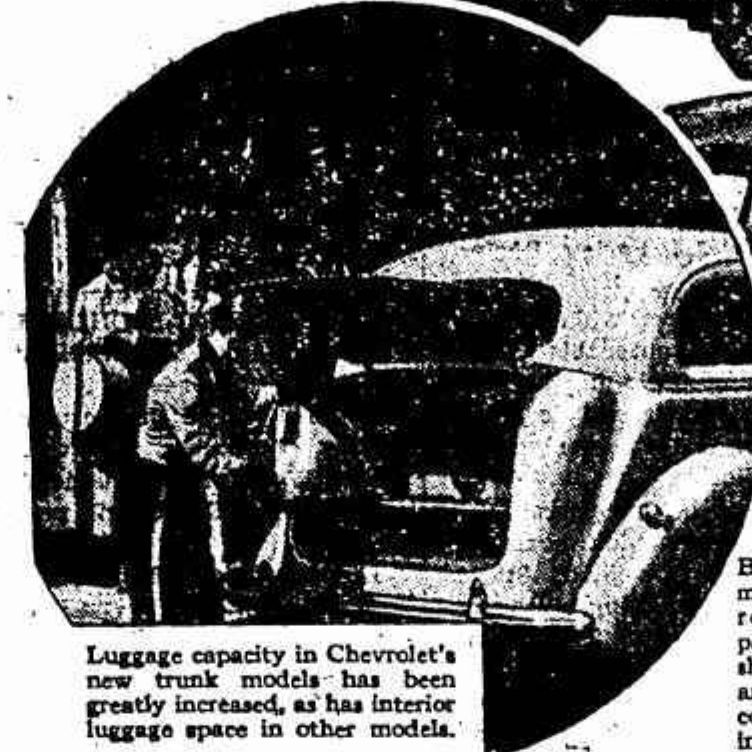

Members of Clinton Lodge 169, F. & A. M., their families and friends, have been invited to attend the service in St. James' Church Sunday evening at 7:30.

The program will be in charge of the Rev. Robert J. Parker, rector. The Rev. Wilson E. Tanner, D.D., rector of Trinity Church in Binghamton, will deliver the sermon.

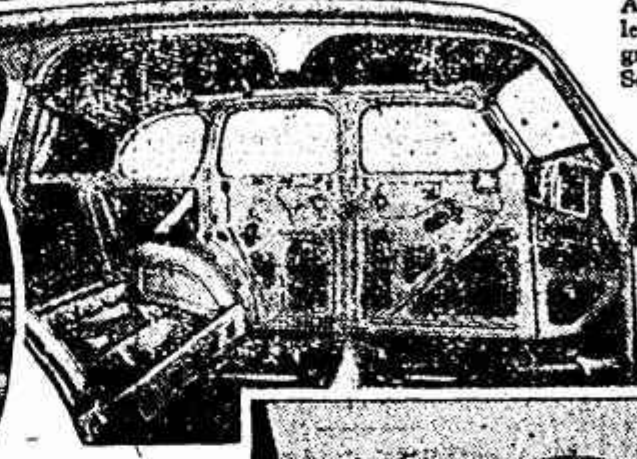

Performance, Beauty and Safety Mark Chevrolet's Completely New Cars

Chevrolet's 1937 engine is completely new, but adheres closely to time-proved Chevrolet engineering principles. It is of six-cylinder valve-in-head type, smoother, more powerful, more economical, and lighter.

Beauty and utility mark the new Chevrolet instrument panel. The windshield is of greater area, with narrow corner posts, affording better vision.

A representative model from Chevrolet's new line, typifying its beauty and grace—the Master De Luxe Sport Sedan with trunk. Note the distinctive "speed line" extending back from the side of the hood.

Unstayed construction joins the floor, cowl assembly, panels, and Turret Top of Chevrolet's all-steel, all-steel body, to form one integral structure, welded in all joints, and reinforced and braced for permanent silence and safety.

Luggage capacity in Chevrolet's new trunk models has been greatly increased, as has interior luggage space in other models.

New power, economy, durability, safety and comfort, coupled with striking new beauty, characterize Chevrolet's new models for 1937. They are offered in two series, Master and Master De Luxe, virtually identical in appearance.

Chevrolet's fully-enclosed Knee-Action is furnished at no extra cost on the Master De Luxe models; and new Synco-Mesh transmission, and safety plate glass all around at no extra cost, feature all models of both series.
