Dear Anne and Dick. - March 19-1966

Verstehen Sie mich wenn Ich Deutche
sprache. - Dein Brief heute komt. Ich glaube
dasz Sie verstehen besser wenn Ich
sprache langsam. - Mein Gesundheit ist
gut aber am letzen Woche habe Ich Hal-
achmerzen und Heiserkeit. Auch meine
Muskeln waren krank. Aber besser
bin Ich jetzt.

Is that enough German ? Yes, I have
been a chaplain in this hospital for
almost three years. I thought I had
once told you. - It might interest you
that all the old Churches of Germany
at one time were Catholic. In fact at
the time everybody in Germany was Catholic
It was about 425 years ago. Martin
Luther caused the rebellion against
the Catholic Church. About half the
Catholics then became Lutherans. That is
where the word "Protestant" originated.
So it is the first Protestants were Catholics

(over)

who were protesting against the authority of their own church.

It will be a very important decision for you to make as to where to settle in the States. Perhaps you could get a recommendation from the army as to the most available place. It may not be wise to settle in an area as perfect strangers without several recommendations. Life is quite a pull and competition for good jobs is keen. Much also depends on whom you know.

Best wishes for the choicest Blessings of the Divine Master

As ever,

Uncle Freddy
