TWO BURGLARS ROB THIS MAN'S STORE

Bert Andrews of Vernon Tells Sheriff He May Have Mislaid Cash and Checks.

BRINGS TWO SUSPECTS TO POLICE STATION

According to a report received here to-day by Sheriff A. W. Pickard, the general store on the State road three miles this side of Vernon, conducted by Bert Andrews, was entered during the night and $225.70 in cash and $24.80 in checks were taken. How the intruders entered the place is not known, unless they entered the front door, which was found open this morning.

The owner of the store came to Utica to-day with two suspects who were taken to the police station and questioned regarding the theft. The men stated that they knew nothing of the burglary and after convincing the authorities that they were not in that neighborhood during the night they were released.

Mr. Andrews told Sheriff Pickard that he had worked hard in his store last night and was very tired when he closed up for the night. He also stated that he may have forgotten to lock the door and might have mislaid the checks. Sheriff Pickard instructed Mr. Andrews to make a search for the "missing" checks and report to him to-night.

COUNTY CHAIRMAN TO ARRANGE CONVENTION

Plans for Republican Judicial Nominating Convention Will Be Discussed at Syracuse To-morrow

The chairmen of the Republican Committee of the remaining five counties of the Fifth Judicial District have been invited by Henry D. Williams, chairman of the Republican County Committee of Oneida County to meet with him in Syracuse to-morrow afternoon to discuss plans for the judicial nominating convention to be held in September, when a candidate for Supreme Court Justice to succeed the late Frederick M. Calder will be chosen.

The gathering will be held at Republican headquarters in the University Block. The convention also may be held in Syracuse, because that city is more accessible to other sections of the district. Other counties in the district are Oswego, Jefferson, Lewis and Herkimer.

The gathering will consider the number of delegates to be sent to the convention. Under the primary repeal bill passed at the last session of the Legislature and signed by Governor Miller, the delegates will be apportioned according to the vote for the Republican candidate for Governor in the last election.

The number of delegates to be chosen in the whole district will have to be decided before an apportionment can be made. Delegates will be chosen at the official primary election in September and they will have authority to pick the judicial candidate.

The Democrats also will have a convention, but it will not arouse the interest the Republican gathering promises because of the heavy Republican vote in the district, which practically assures Republican success.

While discussion of candidates is not on the program for the conference to-morrow that subject will probably receive some attention.

Assemblyman Louis M. Martin of Oneida County is the only candidate in the field and it is unlikely he will have any opposition. He was considering entering the primary fight last fall for the nomination, but withdrew in the interest of harmony and aided the campaign of Judge Calder.

POSTPONE SALE OF DEERFIELD FARM

Highest Bidder Fails to Complete Terms So Adjournment is Taken Until June 1.

Efforts to sell a farm on the Walker road, Deerfield, about three miles from Utica, in mortgage foreclosure proceedings, in the public sales room at the Court House this morning proved unavailing, and another attempt will be made to dispose of the property on June 1.

Alvin Davis, who holds the second mortgage on the property and who offered the highest bid, $1,450, was unable to complete the terms and it was forthwith decided to adjourn the matter until next month.

There were only a few persons present at the sale and Referee M. G. Hubbard experienced great difficulty in getting the bids above $1,000. The property consists of a house and large barn with 118 acres of farm land and pasture. Martin & Rendell appeared for the plaintiff.

UTICA WOMAN LEAVES $4,000 TO RELATIVES

The Utica Trust & Deposit Co. was named as executor in the estate of Harriet A. Metcalf Ripley, when the former well known Utica woman's will was admitted to probate this morning in Surrogate's Court. It was represented in the papers that the estate consists of $4,000 in personal property and it is left to relatives.

Letters of administration on the estate of Andie Green, late of Vienna, were this morning in court issued to her son, Albert E. Green. The estate is relatively small.

In the matter of the estate of Ida Welch, late of Sherrill, letters were issued to her son, Leon. Personal property to the amount of $750 is disposed of.

Decrees of judicial settlement of the estates of Hettie I. Taber, Jennie S. Wolf and Peter McEvoy were entered.

Ilion Gorge Company Incorporated.

The Ilion Gorge Company, Inc., with its principal office in Utica, has received a charter from the Secretary of State to carry on amusement resort, etc., with a capital of $40,000, consisting of shares of $50 each. It will begin business with $1,000. Its directors for the first year and their stock holdings are: Eugene Leitz, 916 Shaw street, 100 shares, and Andrew McLuney and Melvin Welch, 414 Genesee street, each 10 shares.

JOHN KELLMURRAY DIED FROM INJURY

Struck Head on Iron Block at Work in Paper Mill This Noon.

AUTOPSY TO BE MADE THIS AFTERNOON

While working at a bailing machine in the Sauquoit Toilet Paper Company located in the new Seventeenth Ward, about 12 o'clock this noon, John Kellmurray of 881 Noyes street, swooned as if in a faint and struck his head sharply on an iron block. Although a scalp wound resulted, attending physicians are uncertain as to the cause of death which came soon after, and are conducting an autopsy late to-day.

Nearby when the accident occurred were two other employes of the concern, Edward Nail and Ralph Jennings. Just as these two men were about to depart for lunch, the latter looked over in Kellmurray's direction and saw his head drop. An iron block of a standard make used in the plant stood nearby and the falling man's head came in contact with this, causing a severe wound in the scalp. Dr. P. J. Donohue was called, but the man was dead. Dr. H. W. Thomasen, Coroner, was summoned and after finding the scalp wound was unable to decide whether death had been due to that injury or to heart trouble. The autopsy is being conducted at Heintz's undertaking rooms by Dr. Donohue and Dr. Fred Owens.

Mr. Kellmurray had been working at the Sauquoit Paper Company only since last Wednesday, having been employed before that at the Savage Arms Corporation and before that at Johnson & Murray. He was born at Franklin Springs and lived there for sometime and also in Waterville before coming to this city. He had lived here for the past 15 years. His wife's maiden name May Reilly of Oriskany Falls, who survives with one daughter, Reta, aged 4, and three brothers, Peter and Bernard of Utica, and Michael of Waterville; three sisters, Mrs. Thomas Welch, Mrs. Patrick O'Toole of Franklin Springs and Mrs. Mary Hughes of this city. He was a devoted member of St. Francis de Sales's Church. Mr. Kellmurray was a man of honest and upright character and his sudden death will be a deep source of regret to many friends.

SUPERVISORS CONSIDER BUYING OF MOTORCYCLES

Special Committee Meets This Afternoon and Will Present Report at Meeting of Board.

The special committee of members of the Board of Supervisors, named a short while ago to investigate the proposition for establishing a flying squadron of motorcycle deputies for liquor and other law enforcements in the county, held a meeting in the Supervisors' parlors late this afternoon with Leland Wood of the Fifth Ward of Rome, chairman, presiding.

The committee went over the proposition, which would provide for two more deputies and three motorcycles with side cars in this new enforcement department of the Sheriff's, and its session is not expected to end until late in the afternoon.

One of the committeemen present brought up the proposition that the recent ruling of the Attorney General that county officers have no right to stop automobiles promiscuously in search for violation evidences and can only search machines when they have positive evidence that they do contain intoxicating liquors in violation of the Volstead act will have an important bearing on the committee's attitude regarding the more.

In figuring up the expense entailed by the institution of the new department, the committee estimated that the new motorcycles for the enforcement squad will cost about $500 each, and it was proposed to pay the two new deputies from $1,500 to $1,560 each year. A third deputy, now in the Sheriff's office could operate the third machine. Sheriff Pickard, who attended to-day's session, has pointed out to the committee.

No forecast on the deliberations of the later afternoon could be obtained from the committeemen, who will submit their report at Wednesday's adjourned May meeting of the Board of Supervisors.

Besides Chairman Wood, Supervisors Frank Giffune, Charles Rick and Joseph Eck of Utica attended to-day's meeting.

FUNERALS

Edward A. Cole.

Funeral services for Edward A. Cole of 1558 Lincoln avenue were conducted from his late home at 8 o'clock this morning and a half hour later at St. Patrick's Church, the Rev. Father Prendergast celebrating a requiem high mass. There was a large attendance of friends, among them being a delegation from the Paperhangers and Painters' Union. Among the numerous floral tributes was one from the employes of the New Hartford Knitting Company, one from the Grant Wallpaper Company, one from the Thompson Hudson Social Club and one from the local girls of the New York Telephone Company. The pallbearers were four brothers, Abram, John, William and Leo Cole, Henry Hillenbrand and William Duffy. Interment was made in the family plot at St. Joseph's Cemetery.

Carl Hermann.

Funeral services for Carl Hermann were held at 2 o'clock this afternoon from his late home, 708 Varick street. The bearers were members of the family. Interment was made in the family plot in New Forest Cemetery.

Rome News Notes.

Rome, May 23.—The American Legion team went to Deferiet yesterday and played the fast team of that place. Deferiet winning, 6 to 5, in a 10-inning game. The locals went by auto truck and arrived home at 1 o'clock this morning.

This morning there were four boys in City Court whom Officer Healt caught shooting craps last night. City Judge McNamara gave them a warning and told them it would not be well for them to appear in his court again on the same charge and allowed them to go.

THREE HURT WHEN AUTOS COLLIDED

A. Marcantonio, Vincenzo and C. J. Marrone Thrown From Machine Near College Hill.

DODGE CAR TURNS OVER; OCCUPANTS ARE UNHURT

When a big Cadillac eight automobile owned by A. Marcantonio of this city and a Dodge sedan, owned and driven by S. J. Reynolds of Madison, containing five adults and a baby, sideswiped each other near the foot of College Hill, Clinton, at 11:30 o'clock last night, the occupants of the Marcantonio car, A. Marcantonio, Vincenzo Marrone and Castreac J. Marrone, were thrown out and injured.

The Dodge turned over and windows and windshield were shattered into bits. But no one of the party was hurt. The Cadillac careened for about 75 feet before it tilted into a ditch.

Castrese Marrone suffered two broken ribs. Vincenzo Marrone was lacerated about the head and received injuries about his body. They were given first aid by Dr. Taylor of Clinton. They were then taken to Utica and treated by Dr. Fred J. Douglas.

Marcantonio, after being given first aid by Dr. Taylor, was taken to Faxton Hospital, where a cut on the side of his nose was given attention. Afterwards he was taken home. Sheriff Pickard was notified and went to the place.

The macadam highway from Deansboro joins College street at about the foot of College Hill. The accident took place on the Deansboro road about a quarter of a mile from latter. The Reynolds car was going south at a rate of 10 or 15 miles an hour, according to Mr. Reynolds. The course of Marcantonio's Cadillac was in the opposite direction or north. The two cars sideswiped, wrecking re left front wheel, fenders and running board of each.

The Cadillac being a heavier car continued on its way for nearly 75 feet, swerving first to the right and then sharply to the left into the ditch. The left side sank down the declivity and the car was prevented from turning over the bank which exists there. The sedan apparently from marks in the road turned over immediately on being hit.

A large number of other cars were stalled for a time until the sedan was righted. The Cadillac was taken to the city by Sacco's tow car and the sedan was taken to a Clinton garage.

Mr. Marcantonio notified the Sheriff, through William Parr, that he had lost $75 and some valuable papers in the accident. The official searched the place but could not find the missing valuables.

MAYOR TO SPEAK AT RED MEN GATHERING

Mayor James K. O'Connor will be the principal speaker at the 30th anniversary of Kahuahgo Tribe of Red Men, Watertown, to be held next Wednesday evening at the Odd Fellows Temple in that city. A pleasing and interesting musical and literary program has been arranged and Mayor O'Connor's address is to be the feature of the evening.

It is an interesting feature to the Red Men that it was 30 years ago when the Mayor was Sachem of the State that he was in Watertown and instituted the tribe. Mayor R. E. Cahill of Watertown will give a short address of welcome.

ROBERT W. JONES

Resident of 305 Broad Street Died at 6:30 O'Clock This Morning.

Robert W. Jones of 305 Broad street passed away at 6:30 o'clock this morning at his home. Death came suddenly. He was born in Remsen, March 25, 1854, where he lived for some time. After coming to Utica Mr. Jones lived in West Utica for a number of years before moving recently to his home on Broad street. He was a member of Bethesda Church. His business was selling patent medicine, in which capacity he won many friends in and around Utica. He leaves two sisters, Miss Mary Jones and Mrs. Anna Humphrey of this city.

Fish and Game Meeting.

The Utica Fish and Game Protective Association will meet in the ballroom of the Hotel Utica Thursday evening at 8 o'clock. Motion pictures of popular hunting sports will be shown. At the business meeting nine directors will be elected for the ensuing term.

MINISTER TELLS POWER OF PRESS

The Rev. A. E. Legg Read Paper at Ministers' Association Meeting This Forenoon.

DEMOCRACY AND THE INTERNATIONAL MIND

The power of the press in shaping the international mind and the enormous influence which ministers, doctors, lawyers and other professional men have in the affairs of the world were two of the points brought out forcefully by the Rev. Dr. Albert E. Legg, D. D., pastor of the Central M. E. Church when he read the paper of the day at the regular meeting of the Utica Ministers' Association in the Public Library this forenoon.

The meeting began with a large attendance at 10:30 o'clock the Rev. Chester J. Oxley, president of the society presiding. Dr. Legg quoted many authorities of world wide repute in his address, the subject for which was "Democracy in the International Mind."

C. A. Wagner, district deputy superintendent of Sunday Schools spoke on the local observance of Children's Week, June 5-12. He spoke of the plans for an elaborate celebration June 4 including the assembly of children at the Roscoe Conkling Park in the afternoon with community singing and a band concert at 2:30 o'clock.

At the business meeting, the report of the delegates who attended the moving picture censor conference held at Albany recently was read and the matter discussed.

The next meeting of the Ministers' Association will be in the form of a picnic for the members and their wives, to be held at Summit Park, June 27.

HOME BUREAU WORKERS TO HOLD CONFERENCE

Full Program Will Be Arranged at Meeting to Be Held Here To-Morrow and Wednesday.

The annual spring conference of Home Bureau managers, Home Bureau Executive Committee members and staff members from the department of home economics, Cornell, will be held in Utica to-morrow and Wednesday. Representatives from counties throughout the central part of the State will be present. The time will be spent in discussion of vital problems of affecting Home Bureau work and in planning the fall program. Following is the two-day program:

To-morrow—10-12:30, round table on organization: "Wherein is the present plan of organization in the counties functioning to the best advantage, and what are its weak points?" 2-4, round table on local leadership: "What types of local leadership has your county experimented with this year, and with what success?" "What possibilities do you see in your county for local leadership next year?"

Wednesday—9-10, round table on fairs: "How may the Home Bureau aims and standards be brought before the people at fairs?" "How are you co-operating with the Fair Commission to raise the standards of exhibits?" 10-11, round table on the making of county programs: "When and how should plans for a county program be made?" 11-11:30, program for local leader training classes in junior project work: 11:30-12:30, discussion (topics to be suggested by group); 2-4:30, discussion continued.

WOMEN IN VESTRY TO BE DISCUSSED

House of Churchwomen Also to be Reported on at Diocesan Convention.

BISHOP FISK WILL BE UNABLE TO ATTEND

Reports of committees named at last year's convention of the Protestant Episcopal diocese—one referring to women serving on vestries and sitting in conventions, the other referring to the creation of a House of Churchwomen—will be among matters coming before the fifty-third annual convention of the Diocese of Central New York which opens at 4 p. m. to-morrow in Old Trinity Church at Broad and First streets, when, it is expected 200 clergy and laymen from 47 parishes will be present.

The matter of religious education of children in co-operation with the public schools, a matter recently brought before Legislature, may also be discussed. This subject will be first presented, however, by Edward Sargeant, secretary of the department of religious education, at the laymen's dinner in the parish house following the opening session at 6 p. m. to-morrow. Archdeacon Foreman of Syracuse also will speak at the dinner on "Church Extension and Diocesean Missions."

Co-ordination of diocesan offices and concentrated authority for the more efficient handling of diocesan funds also will be considered during the convention.

To-morrow afternoon's session will be given over largely to organization, nominations and presentation of reports.

The opening of the convention will be preceded by the annual reunion of the alumni of the General Theological Seminary at a luncheon at Bagg's Hotel at 1:30 p. m. to-morrow. The Rev. John A. Staunton, retired, of this city, president of the association, will preside and about 30 members are expected.

The main progress in the convention will begin Wednesday morning following the celebration of Holy Communion at 9 a. m., after which the annual report of Bishop Charles T. Olmsted, D. D., usually is read. The election is scheduled for 11 a. m., when members of the Standing Committee, a diocesan treasurer and two members of the Diocesan Council—a clergyman and a layman—will be chosen for four-year terms.

Bishop Olmsted will call the convention to order, but it is not expected that Bishop Coadjutor Charles Fiske will attend, since he has not sufficiently recoved from an operation following injury to his foot.

Women are permitted to vote for vestrymen by special amendment of charters in some of the parishes, but they are not permitted to hold office. In this city they vote only in Grace and St. George's churches. In order that they may hold office, the Legislature would have to amend the Religious Corporations Law, under which the Episcopal Church operates, which now provides only for "male persons of full age."

At the Syracuse convention last May, a resolution was adopted as follows:

"Resolved that a committee of two clergy and two laymen be appointed to consider the matter of women serving on vestries and sitting in conventions, and report at the next convention."

The matter of a House of Churchwomen also was taken up in the following resolution adopted at the same time:

"Whereas, women are rightly taking a large and helpful part in all public matters and the church especially should avail itself of their efficient co-operation, and

"Whereas, the creation of Houses of Churchwomen, meeting at the same time as the diocesan conventions, has been most successful where they have been established,

"Be it resolved, that the whole matter pertaining to creation and establishment of such a House of Churchwomen in this diocese be referred to a committee of four, consisting of two clergy and two laymen to report at the next convention."

The regular religious instruction of children has been advocated for some time and under the plan adopted in Gary, Ind., and in other Western cities, such study is part of the public school course. Time is provided for the release of the pupils from the schools that they may attend stated study periods provided by their own religious denominations and they are marked for their efficiency in these studies the same as in the other school courses.

The matter of coordinating authority for handling diocesan funds is an effort to bring about greater efficiency over the present system by which funds are handled by several groups of trustees.

Former Justice Edgar C. Emerson of Watertown has been named chancellor of the Episcopal diocese of Central New York by Bishop Olmsted, and succeeds the late Judge George Underwood of Auburn.

The duties of chancellor are to act as adviser to Bishop Olmsted on all legal matters which are taken up for consideration. The term of office has no fixed limitation. The appointment gives an important position to the northern end of the diocese.

Former Justice Emerson retired from the Supreme Court bench at the opening of the present year, having reached the age limit of 70 years. He served on the bench 28 years, being County Judge of Jefferson County prior to his nine years of service in Supreme Court.

During the years in which he made visits to Utica in trial and special terms of Supreme Court, former Justice Emerson won a high place in the estimation of members of the bar of this city.

SEEK $15,000 FOR INJURIES TO CHILD

Action is Started in Supreme Court by Mr. and Mrs. Frank A. Clements of Oilbiston.

BOY WAS STRUCK BY AARON DUMAIN'S CAR

That little Arnold B. Clements, aged 7, of 26 The Oilbiston Apartments, is suffering from the effects of injuries sustained when he was knocked down by an automobile, while crossing the street at Genesee street and Watson place in June, 1919, and seldom if ever plays with his little boy companions since the accident, his health being sadly impaired, were the statements made on the witness stand in Supreme Court this morning by Mr. and Mrs. Frank A. Clements, who are suing Aaron Dumain, owner of the automobile, for money damages in the sum of $15,000. The case is being tried before Justice Leonard C. Crouch and a jury. Foley, Foley & Dunmore are appearing for the plaintiff, while Kernan & Kernan with Gay H. Brown appearing, represent the defendant.

Mrs. Clements, whose testimony was corroborated by her husband, declared on the witness stand that prior to the accident in June, 1920, the child was in good health and was always active and alert, and out playing most of the time with his boy companions. Since the accident, Mrs. Clements stated that he has suffered loss of appetite, is restless at night and complains of pains in his head.

Counsel for the defendant brought out the fact that since the automobile accident in June, 1920, the child had been pushed by another boy from a porch at the Oilbiston Apartments and he asserted that this may have had something to do with the boy's present condition. On the other hand, the parents of the child declared that they observed that his condition was changed after the automobile accident, and that the other mishap had little if anything to do with his present condition.

The defendant, in answer to the complaint, states that he did not see the Clement boy when he was struck by his car at Genesee street and Watson place. The child was returning home at noon from the Kemble Street School on the day of the accident and crossing Genesee street from Jewett place to Watson place, he was struck by the car and thrown underneath, between the wheels of the car.

Other witnesses sworn for the plaintiff were the Rev. George B. Fairhead, Donald E. Hamblin and Dr. Carl D. Clapp and Miss Barker, a school teacher.

The Supreme Court action of Harry C. Mosher against Wilmer & Vincent, Inc., the case of Nicholas D. Peters and another against H. Platt Osborne and that of the Washburn Crosby Company against Antonio J. Criscolo and another were ordered taken off the calendar by Judge Crouch this morning.

When the Supreme Court reconvened this afternoon following the noon recess, Aaron Dumain, plaintiff in the action of Arnold B. Clements, by guardian, against Aaron Dumain, to recover the sum of $15,000 for injuries to the child, alleged to have been caused by an automobile owned and driven by Mr. Dumain, related in detail the circumstances which led up to the accident at Genesee street and Watson place in June, 1920.

Mr. Dumain stated that he was riding alone at the time and that he was following behind a street car going south on Genesee street on the day in question. At Watson place, Mr. Dumain stated that there was an automobile parked alongside the curb, about 15 or 20 feet north of Watson place.

Mr. Dumain said that his machine was traveling at a rate of speed not over 15 miles an hour. He said that he did not see the Clement boy until he was about three or four feet away from the machine. The Clement boy was with another boy at the time and both were running across the street in the direction of Watson place, Mr. Dumain stated. When he saw that the boy was in danger Mr. Dumain said he applied the foot brakes and shut off the gasoline supply. He said the child was hit by a lens on the left hand side of the car and was thrown under the car.

Scheduled for trial late this afternoon is the action of Victoria Millstein against Morris Woloshin, proprietor of the Practical Fur Shop, to recover $160 which the plaintiff alleges she paid for a fur coat. In the complaint she charges that the fur was of an inferior quality and was not as represented. Mr. Woloshin, through his attorney, Leo O. Coupe, has entered a general denial.

FRANKLIN STORES ARE BRANCHING OUT

Concern Has Purchased the Metropolitan 5-50c Stores, Inc., Stock at Ilion—To Hold Opening Sales.

The Franklin 5c to $1.00 Stores, Inc., announces that it has purchased the entire stock and fixtures of the Metropolitan 5-50c Stores, Inc., at Ilion, and nine other stores situate in New York State. The new company will continue the business along the most progressive lines of modern business methods, offering exceptional good values in all merchandise retailing at five cents to $1. The stocks will be kept fresh, new and up to date in every respect.

Because of ability to buy in large quantities to supply its many stores, it will be able to mark merchandise at astonishingly low prices.

Under the new ownership, an opening sale will be held Saturday, June 4, and to reprice the merchandise, receive new merchandise and arrange it for the sale, the stores will be closed on June 2 and June 3. On Friday evening, June 3, from 7 to 9 o'clock, the public is invited to inspect the new stock, at which time the store will be opened for that purpose. The officers of the new syndicate are Bernard N. Hyman of the Iroquois Hosiery & Underwear Co. of Buffalo, president, Eugene Warner of the same concern is treasurer, William F. Holley, formerly connected with the Metropolitan 5-50c Stores, Inc., and an experienced merchandise man, is vice president and buyer for the new syndicate.

UTICAN HAD NARROW ESCAPE FROM DEATH

Private Everett Mowers Was Struck Over Head With Iron Bar by Prisoner He Was Guarding.

Private Everett A. Mowers, aged 20, of this city, a member of the Fifty-first Signal Battalion, stationed at Camp Alfred Vail, N. J., arrived here yesterday on a seven-day furough. Private Mowers is well known in Utica, having resided here when he enlisted in the army 18 months ago. He was employed as office boy at the HERALD-DISPATCH office for some time.

Private Mowers had a narrow escape from death while in the service. He was guarding two prisoners on the night of March 22, when one of the men picked up an iron bar and struck him over the head. The young soldier fell to the floor, but before doing so he called for help. The man who struck him over the head made another swing with the iron bar, but was prevented from striking another blow by the other prisoner. The men were caught before they could escape and the man who struck the blow was sentenced to serve six years at Fort Jay Prison, while his companion, who was credited with saving Mowers's life by preventing the second blow, was given four years in the same prison. Everett was in a hospital from March 22 to April 1.
